UK Medicine/Engineering tour

2015 | 12 Total time DAYS

Interested in studying Medicine or Engineering in the UK? There is a lot you will need to understand before applying! The first step into learning more about these fields is to visit the universities firsthand and hear from the admissions officials. Our team will guide you and a group of your peers to the ins and outs of Medicine and Engineering in the UK by taking you to some of the top universities in the world. It will definitely give you a holistic idea about the subject and about the kind of indulgence and input it requires from each applicant. Hopefully it will clear some myths and doubts prevailing in the mindset of the students and the families, helping them to make the correct decision. We are sure this MedENG tour will be an eye-opener in more than one sense of the word.
